OCS Personnel Requirements

31 May 1966

Memo to DDS&T from [redacted] D/CS

STAT

STAT

In view of Directorate's increase of [redacted] for FY 67 OCS presented 3 critical needs: a) computer opns personnel needed to meet expanding production load without excessive overtime and to exploit the expensive new equipment set-up; b) analysts to support satellite activities of OSP and build a solid scientific data processing capability; c) systems programmers needed to support interface rqmts of OSP and design and implement Agency portion of COINS.
